Accessibility for Ontarians with Disabilities

D.C. Racking & Maintenance Inc. is committed to providing a barrier free workplace to all individuals, clients and customers. We provide a level of customer service in a manner that is accessible to all, including those with a disability.

If you would like to receive a copy of our policy outlining our processes and practices for the customer service standard, please contact our Human Resource Manager Judy Redmann, as noted below. We are also able to provide information on how to submit feedback regarding our delivery of this customer service standard to our clients/customers with disabilities.

If a particular format is required for the requested information, for reasons related to a disability, please indicate your preferred format at the time you make the request.
